

Kids Carnival @ Paddy's Flemington

Kids Carnival @ Paddy's, Sydney's largest free kids entertainment event, is on again this year at Sydney's Paddy's Markets Flemington with four huge acts on Sunday, March 11th.

Leading the cast of our favourite characters this year is everyone's favourite purple dinosaur – **Barney!** **Barney** will be live onstage with his friend Nerida teaching everyone about friendship, singing and dancing to his greatest ever hit songs including Clapping Game, Itsy Bitsy Spider, She'll Be Coming Round The Mountain, Flying In An Airplane, If You're Happy And You Know It and The More We Get Together. The **Barney** show includes heaps of dancing, prizes, games and all the fun **Barney** brings.

New McDonald's Farm will make its first time onstage appearance at Paddy's with Max and Milly and their loveable farmyard friends including Henry the horse, Charlotte the chook, Shirly the sheep, Percy the pig, Dash the duck and Daisy the cow.

Strawberry Shortcake will be live onstage with all her friends. The scene is set where Strawberry Shortcake and her friends are playing in the woods and they read about a local bank robbery and that the money has not been found. They think they have all the right clues but do they? Come on this magical tour with Strawberry Shortcake and Holly as they solve the crime and celebrate with all the boys and girls!

And the world's most famous orange cat is due for a birthday celebration. Jon and Odie keep the surprise party under wraps making **Garfield** believe everyone has forgotten the date and Garfield's day appears to go from bad to worse. Trust Garfield to remedy the situation...he will simply organize his own party! Of course this over-sized cat with an over-sized appetite will ensure the party is over-ordered with extra helpings of gifts, party food, his favourite music and party games. Don't miss this opportunity to 'rock on' with Garfield as he invites you all to the party of the year!

And kids, remember to bring your cameras for the meet and greet where you can get up close to your favourite characters.

Plus there will be heaps of prizes, giveaways, balloons, face painting and plenty of food and drinks available.

Kids Carnival @ Paddy's is a free event with free parking.
